BUILDING OPERATIONS IN NORWICH

With the approach of cold weather | Lewis has the contract and the cost will there has been a deciding falling off in be \$4,000. the building permits issued in the city, but even with this so the mouth of November is far ahead of previous records for the month. Two applications for building permits were filed with Fire Marshal Howard L. Stanton, during the past week, one being for a new house on Nelson Place and the other for a garage on Nelson Place.

The house is to be built by Tongren

and Hourigan and will be 25x42 feet, of the bungaiow type. The foundation will be of stone and cement with a cement block underpinning. The frame will be of spruce with shingle exterior and composition roof. The interior finish will be in hardwood. There will be six rooms

Yougren and Hourigan also have the contract for the building of a garage for Fred T. Harmon on Nelson Place. The garage will be 12x20 feet with stone foundation. The frame will be of spruce with a red cedar shingle SIONINGTON sheathing. The roof will be covered with emposition shingles.
A large amount of work has been done

on the various buildings now in the process of construction. The Disco block at the corner of Main and Ferry streets s well along, and the steel structure is early complete for the entire buildings. Work has started on the remodeling of the store at Franklin street which will be occupied by the Chelses Lunch.

John D. Hall is tearing down the old sheds and outbuildings on the old Gladus property on Norwich avenue and will erect a new dwelling house. He is also to make alterations to the present dwelling house which is located on part

The present building on Hunter's av-snue owned by Wilfred Beauregard is being remodeled from a who tenesses bouse into a two-tenement house.

BEAL ESTATE SALES

AND MORTGAGE LOANS In Norwich during the past week there wes. 15 sales of real estate as compared to 17 for the same week in 1921. The mortgage leans for the respective weeks were \$108,400 and \$20,500.

There were 5 sales of real estate in New London as compared to 22 for the same week a year ago. The mortgage loans for the respective weeks were \$78,-206 and \$55,806.

spal's room, teachers room and grin-sipal's room. The school will be equip-ped with slate blackboards and the floors will be covered with linoleum. Estimates are being made on a house to be erected at Giant's Neck, for Dr. Wm. T. Brown, of Norwich, the plans for which are by Architects Cudworth & Thompson of that city. It will be of wood, with seven rooms and bath,, provided with all improvements, and a

The pretty wisterbessies proved an extra clusive species to two indies of the borough Monday, who sought to gather boungers with which to adorn their homes. The place they visited was a "leetle lamp," the flex loves a damp spot. One, the ligher of the two, is slipped from an unsteady log on which dahe was being held by the other and went down in. Not very deep, but oht well, some distance. The other lady, with plenty of pluck and adventure in her makeup then tried to get the winder terberries. The log was no more stable than before. She swung around a count of ple of times, tried vainly to maintain the behavior. It is understood that they got their berries full length on her back but with much more merriment than concern. It is understood that they got their berries just the same.

Dorcas Circle of The King's Daughters went as Michael at Min. Hardy and large meets at Min. John T. Stewart's home of sitting Min. Texture and chill dren. Hardy and the more merriment than concern. It is understood that they got their berries just the same.

Dorcas Circle of The King's Daughters were along the home of her daughter, Mrs. Emma Mitchell has been spending several days at the home of her daughter, Mrs. Frank Henderson, in Norwich.
